

Gradyville.

We have had fine farming weather for the past week.

Remember Rev. W. H. C. Sandridge's appointments at Union church next Saturday and Sunday.

Dr. J. H. Grady, of Columbia, spent a few days here last week with his relatives.

Judge N. H. Moss, of Columbia, was here a day or so the first of this week.

Mrs. Millie Hill was on the sick list a day or so the first of the week.

Miss Ora Moss, of Columbia, is visiting relatives in our city, this week.

Ray Flowers, of Columbia, was in our midst last Friday, in the interest of the Adair County News.

H. A. Moss, the well-known lumber man, of Greensburg, passed through here one day last week, en route to his mill near Sparksville.

Mr. Wesley Reatherford, one of the prosperous men of Hedic, Ill., is visiting his relatives in this community, at this time.

Mr. W. L. Winters, the efficient Cashier of the Gradyville State Bank, was called to the bed side of his father, in Owen county, last Monday.

Mrs. Millie Hills opening of hats will be on Saturday, the first day of April. All the ladies have a special invitation to be present.

W. C. Yates, of Portland, was here last Friday, on business.

Mr. J. A. Diddle was transacting business in Green county, a day or so of last week.

Messrs. J. F. Pendleton, G. E. Nell, and Elmer Keen, business men of our town and community, are in Louisville this week, selling tobacco and buying goods for this market.

Messrs. Geo. Atkins, Charles Rowe and C. O. Moss, surveyed the route for a public road from this place to Antioch church, where said road will intersect the Columbia and Burkesville road.

Mr. and Mrs. S. C. Bell, some of our good citizens, who have been living in our town for the past ten years, will in a few days move to their farm near Nell.

Mrs. Blakey Dulin and her daughter, Miss Mattie, have been confined to their rooms for several days, with a complication of diseases.

Mr. Logsdon, the well-known tobacco man of Louisville, was calling on our tobacco men in this community one day last week, soliciting their shipments, and report prospects better in the future for better prices.

Mr. W. L. Grady, the up-to-date stock man in this part of the county, had a narrow escape one day last week from getting seriously hurt. Mr. Grady in loading a wagon of hay in his large stock barn, and in some way was thrown from the wagon, and received a considerable shake up. It was thought for a while that some of his limbs were broken.

In conclusion, I must say to the many readers of the News that this part of the country is just as good for large and weighty chickens, as it is for hogs. The only difference in the two, we have scales that are sufficient to get the exact weight,

and there is no guess work in it. Mr. Henry Parson, the well-known fireman of the roller mill at this place, delivered to one of our merchants here one day last week, twenty hens that weighed 140 pounds. Mr. Parson did not select the largest hens he had, only taking up such as he wanted to sell, and kept back the fattest and largest ones no doubt at home. Now if any one can beat this, including the number, let us hear from them, if not hold your peace.

Farmers are plowing for oats and corn

Suckers are very scarce in the creek at this season, so G. N. Polson says, and we think he is a splendid judge.

Our church is progressing nicely in its construction, and we think the name shall be Square Oak, as there is an oak standing by that is just as square as if at some time it had been hewn.

Mr. William Popplewell is very ill at this writing.

Charlie Bennett's wife is very low with rheumatism and other troubles.

The health of the community is very good since the measles ran their course.

There is something peculiar about a turtle that Mr. Asa Polston tells of. Our friend, Mr. Polston, while reconnoitering about the branch ran into a sharp skirmish with a desperate turtle. He succeeded in getting the best of him, wounding the turtle as follows: cutting his head off with a hoe and one fore leg. His tail was also severed, and in about a week the turtle appeared still minus a head, foot and tail. This battle took place about Christmas, and just last week Morty Smith and W. C. Popplewell met up with the same turtle apparently in good health, and a close inspection revealed that his cuts were healing.

Business of all kinds has begun to improve, and we hope there may be better times in the future in the Corn Cracker State, so the boys won't have to go so far to their work.

Execution Sale.

By virtue of Execution 1853 which issued from the office of the Clerk of the Adair Circuit Court on the 16th day of January 1911 for the sum of \$65.00, sixty-five dollars with interest thereon at the rate of six per cent per annum from the 15th day of February, 1910, until paid and the further sum of \$10.45, ten dollars and forty-five cents cost, in favor of S. L. Banks against E. G. This March 14 1911, A. D. Pattenon, S. A. C.

Jordan Peacock.

This noted Saddle Stallion will make the present season at Gradyville, Ky., and will serve mares at the low price of \$15.00 to insure a mare with foal. Jordan is in fine shape, looks like a colt. He is so well known that he needs no introduction to the public. He is known from the Pacific to the Atlantic Ocean. Jordan has sired from 50 to 100 colts every year for 14 years, and most all of them has been sold from weanlings to 4-year-olds at from \$100 to \$200. There has been a goodly number of them sold from 500 to \$1,000. There has been over One Hundred Thousand Dollars paid to the people of Adair and joining counties for this horse's colts.

I will also stand NOBLE PEACOCK, a son of Jordan Peacock, on the same terms as Jordan Peacock NOBLE is a very fine young horse. He was shown in two rings at the Columbia Fair, last year and won each time. There were 8 entries in one ring and Noble won the blue tie. His first dam was by Artist Jewel, 2nd dam by Cromwell Denmark, 3rd dam by Artist 75. From the above breeding you will see there is no better bred one living than NOBLE PEACOCK.

I will also stand 2 fine Jacks, HIGHWAY and BLACK DIAMOND at \$10.00 to insure a mare with foal. Highway's colt won the blue at the Columbia Fair last year, and several of them sold for \$100 at weaning time. These are the best Jacks that I have ever seen in Adair County.

BLACK DIAMOND is under 3 years old. Every one that has looked at him say that he is the best one they have ever seen.

Money due in all cases when the mare is traded or moved from the neighborhood. (Plug mares will not be bred to this stock.)

Feed at 25 cents per day or pasture after April 20th at 50 cents per week.

Respectfully,

W. L. Grady.

Sarah, the wife of John P. Turner, died at her home here March the 14th, 1911, age 51 years. She was converted and joined the United Brethren church under the labors of Brother James Dean, 8 or 10 years ago. She leaves behind her a husband, three children, one sister, Mrs. Mollie Taylor, two brothers and many friends.

Her remains were taken to what is called the old Pack Willis grave yard, some two miles below Glenville, Adair county, and was laid to rest beside her mother and two sisters, Della and Dorinda, to await the final resurrection, when the dead in Christ shall rise. Friends, weep not, look to Jesus, for He will help in time of your need.
